## Creel Peg Extension for Package Tubes

*For Volkmann 050C BA3, BA4, and BA5 Creels*

*Note: This design is not compatible with narrow gauge machines (05C) and is not intended to run packages*

**EE440400**

**Customer Testimonial:** *“These creel peg extensions provided significant cost savings through reducing our yarn waste. The savings we realized quickly paid for the cost of the pegs. Our department and plant now stand to benefit from installing them for years to come.”*

### Product Benefits

- Improves efficiency and safety by providing a straightforward storage location for partial and empty packages, reducing need for buggies and keeping yarn off the floor.
- Conveniently located out of operator’s way, yet ergonomically friendly.
- Easy installation. Fits existing setup with no brackets required.
- Powder coated - tougher than conventional paint and made to last!
- End is capped to prevent dirt accumulation in the tube.
- Design style compliments existing creel.
