*Repair Customer 05 BA3/BA4 Brake Assembly*

### Repair Benefits:

- Rebuilding away from the machine allows inspection of every part (including the main bracket)
- Worn and damaged components are replaced
- Functions as a new part while being less costly
- Improved spindle drive tape tensioning and tracking
- More consistent spindle speeds

Please contact EPIC for more information or a quotation. Please note there is a 12 piece minimum for this repair.

Epic products are intended as replacements for worn or damaged parts in OEM products. OEM Part numbers in (parenthesis) indicate either 1) improved design 2) the part serves the same function as the OEM part, but may differ from the OEM design, 3) it is a component of an assembly where no OEM reference number is available, or 4) it is a repair service for the referenced part.

Parts with EE designations are manufactured by Epic and are not authorized by the original equipment manufacturers., ©Epic Enterprises, Inc., January 2014
