Textile Machinery Parts and Services

Est. 1977

Over 8,000 Parts in Stock!

Epic manufactures spare parts and equipment for yarn preparation machines such as Volkmann, Verdol/ICBT, Superba, Suessen, and Belmont. Epic also manufactures EpiMark™ color markers which are cold water soluble marks used to identify yarns and fabrics in a wide variety of applications and industries. We also offer a rebuilding service for spindles, pots, pot bearing housings, and ring assemblies used on spinning and twisting machinery.

The Epic team is committed to your business and dedicated to help you meet and exceed your goals.

You can rely on quality replacement parts provided at a fair price, delivered when you need them — guaranteed.

Epic has been in business for over 38 years and currently serves more than 1,000 customers worldwide.
