Please help free Barbara and Carol!

Purchase our discounted inventory of 9/16" Nomex Tie-Down Tape for the Superba!

Epic has a large inventory of 9/16" wide tie-down tape, shorter than our standard length rolls, at a reduced price. One loop on a Superba tunnel averages 40 to 45 yards. We have a lot of good, usable lengths available as listed below.

Please contact Barbara or Carol to confirm available lengths and reserve your tie-down tape today!

Due to high U.S. Government demand for Nomex products during war times, some shortages and significant price increases on the standard lengths of this product have been experienced over the last 12-18 months.
